CREATED IN NICE. TRUSTED ACROSS EUROPE.

B014 AMARANTE · BUILDER GEL

Two years of development alongside professional nail technicians. Already distributed in Switzerland, Belgium, Portugal, Italy and the Netherlands. New products throughout 2026, with North America next.

0 1

CREATED ON THE RIVIERA

Developed in Nice and Monaco. Premium packaging, high-grade ingredients, French formulation standards. Every product reflects the aesthetic precision of the Riviera.

0 2

AHEAD OF REGULATION

France and the EU set the world's highest cosmetic standards. We exceed them. TPO-free since the very first batch, well ahead of the European ban of August 2025. Orders from Switzerland, Belgium, Portugal, Italy and the Netherlands followed.

0 3

DEVELOPED WITH NAIL ARTISTS

Two years alongside professional nail technicians and dedicated home users. Every formula tested in real conditions until it worked for both.

0 4

FAST-GROWING BRAND

New products throughout 2026. European distribution is growing fast, North America is next. Partnering now means establishing a position from the start.

BECOME OUR PARTNER

We are building our European distributor network — one committed partner per market. Samples before your first order, marketing support from day one, exclusivity negotiable against sales targets. To open an account, contact our trade team.
